

Lenoir City is going

Green!

How:

- Place like recyclables in a separate bag (i.e. all plastics in one bag, all aluminum cans in another bag, etc.)
- On the day of your regular household garbage pick up, place the bags of recyclables along side your other garbage.
- The City will send a separate truck immediately behind the regular garbage truck to collect the recyclables.

What:

The Lenoir City Street Department will be taking all of the recyclables to the Community Convenience Center in Lenoir City. At this time, they are equipped to accept the following materials:

- Plastics (i.e. 2 liter soda bottles)
- Newspapers
- Tin Cans (i.e. soup cans)
- Aluminum Cans
- Paper

Lenoir City is starting a curb-side recycling program and your neighborhood has been selected to kick it off!

Beginning **FEBRUARY 7th, 2008** you can place bagged recyclables outside for pick up on the **SAME** day as your regular household garbage pick up.

Please call the Lenoir City Streets and Sanitation office with any questions or comments: 986-2715
